<p style="text-align: center;">Initiated Statutory Measure No. 4</p> <p>This initiated measure would provide for a new veterans' tobacco tax trust fund in North Dakota Century Code Chapter 37-14 to fund certain veterans' programs. This fund, among others, would be supported by an increase in the excise tax on cigarettes from \$0.44 to \$2.20 per package of twenty cigarettes, as well as an increase in the excise tax on cigars from 28% to 56% of the wholesale purchase price at which the product is purchased by distributors. The excise tax on all other tobacco products is increased a commensurate amount. The measure also would create an inventory tax on cigarettes and tobacco products. All revenues received by the tax commissioner under this measure would be allocated among the State's general fund, the veterans' tobacco trust fund, and the community health trust fund. The measure would create and amend provisions in Chapter 57-36, including new definitions for inhalation devices, liquid nicotine, and tobacco products; prohibiting retailers from being distributors and requiring distributors to keep additional records; setting requirements for registration of liquid nicotine retailers; and regulating the alteration of liquid nicotine. Finally, the measure would repeal two provisions of current law related to an excise tax on cigarettes and the exemption for taxes on cigarettes and tobacco products given to occupants of the State's veterans' home and the state hospital.</p> <p><input type="radio"/> Yes - means you approve the measure summarized above.</p> <p><input type="radio"/> No - means you reject the measure summarized above.</p>	<p style="text-align: center;">Initiated Statutory Measure No. 5</p> <p>This initiated measure would add a new chapter to Title 19 of the North Dakota Century Code creating an Act which provides for the medical use of marijuana for defined medical conditions, such as cancer, AIDS, hepatitis C, ALS, glaucoma, and epilepsy. To participate in the program, the Act would provide for identification cards and certificates of registration which would be issued by the Department of Health for patients, caregivers, and qualified facilities, if all requirements are met. The Act would create provisions for monitoring, inventorying, dispensing, cultivating and growing marijuana to be regulated and enforced by the Department of Health. A qualified patient could be dispensed up to three ounces of usable marijuana, and could grow marijuana if his or her home is located more than forty miles from the nearest registered facility. For violations, the Act would authorize the Department of Health to provide for corrective action, suspension, revocation, appeal, hearings, and referral for criminal prosecution. The Act would require the Department of Health to submit an annual report to the legislature regarding program statistics.</p> <p><input type="radio"/> Yes - means you approve the measure summarized above.</p> <p><input type="radio"/> No - means you reject the measure summarized above.</p>
